Next Term's School Value

Next term begins for the children on Wednesday, 5th January. The school value for January is **perseverance**.

We shall be stressing to the children the need to persevere in all areas of the curriculum and extra curricular activities, at lunchtime in their games and in other areas such as eating all their lunch. This can be reinforced at home through their reading, spelling, learning their tables, but also in such areas as dressing themselves, practising an instrument, sporting activity, eating new foods etc We are always pleased to hear about children who have talked about and demonstrated their value at home.

Children in Need

Many thanks also for your generosity for our recent Children in Need penny appeal. The children raised a grand total of £141.
