10th February 2011

Numeracy Evening Wednesday, 16th February

6.00-7.00pm

Just to let you know that the format for the evening will be as follows:-

- 6.00pm Hall - Mrs Fran Watson (maths teacher from SharnbrookUpper School) - introduction to maths across the lower, middle and upper schools in the North Bedfordshire Trust
- 6.15pm Numeracy Presentations by the staff in the classroom for Foundation Stage, key Stage 1 and Key Stage 2 – please choose one
- 6.30pm Repeat of the above presentations; please choose one or return to the hall to meet Fran Watson
- 6.45pm Return to the hall when Fran Watson will answer questions and the North Bedfordshire Schools' Calculation policy (progression of skills) will distributed to parents.

I am sure that you will find this a very useful evening. Many parents attending such evenings often say, 'I wish I had learned maths this way!' So please come along and see how your children learn maths and ways in which you can support their learning at home.

Monday, 14th February

Just to remind you that you are invited to come and visit your child in class from 3.00pm. They will be involved in a variety of numeracy games / activities and I am sure that your children will be delighted to show you their work and what they are currently learning.

In June there will be a further opportunity to come along and join in with your child's numeracy lessons. More details next Wednesday.

Due to the Valentine Discos next week there will be no football on Tuesday and no choir after school on Thursday. Choir will take place during the day due to the forthcoming festival in March.

Please remember to inform your class teacher if your child is to be collected by someone different from normal.

Numeracy Evening Presentation – Wednesday, 16th February at 6.00pm

Name of parents/ carers We require seats for the above presentation.
