

URSULA TAYLOR VC LOWER SCHOOL

8th January 2010

On behalf of the staff I would like to wish everyone a very Happy New Year!

It has not been the easiest start to the new term and I would like to thank everyone for their support and patience in our extreme weather conditions. The staff have worked wonders to all get in.

I am also conscious that we have not been able to clear the site from snow and ice each morning. It is a large site and unfortunately Mr Meaney, our site agent, has been absent this week due to illness. We are now running short of sand for gritting so please take extra care.

If the school is to be closed this information will be on the following websites and the radio early in the morning:-
