

Topic

Our topics this term are -

- Our five senses.
- Light and sound.

They will incorporate aspects of science, geography and history.

PE

Games – focus on ball skills and games.

Gymnastics – using the apparatus, travelling high and low.

Dance – responding to stimuli, changing speed, shape, direction and level.

PE is on Mondays, Fridays and Tuesdays (Toucans) or Thursdays (Penguins).

Music

Children will learn to sing songs from memory with expression and control. They will explore pulse, rhythm and pitch.

Year 2 **Autumn Term 2008** **Curriculum information sheet**

Numeracy

We are following the New Primary Framework and by the end of this term most children should be able to:-
Please see attached numeracy leaflet.

R.E.

Our theme this term is ‘myself’, thinking about our differences and similarities, our feelings and attitudes towards others.

Design and Technology

The children will have the opportunity to use different materials to construct models, develop joining techniques and evaluate their work.

Art

The children will use a variety of media to produce work of an aesthetic nature. We will be looking at famous artists through our topic work.

ICT

The children will continue to develop their computer skills using word processing (‘Word’ and its associated tools). They will also use Encarta and the internet for research.

Literacy

This term the children will read together and study stories in familiar settings, instructions and recipes, explanations and poetry (patterns on the page).

They will continue to learn to spell and read words with common spelling patterns.

They will use story and poetry structures to write their own stories and poems.

They will begin to learn common joins in handwriting.

PSHE and Citizenship.

We will be developing the theme of ‘new beginnings’ and ‘getting on and falling out’. Our value this half term is ‘respect’.
