MARCH VALUE

'Respect'

**'DO TO OTHERS AS YOU WOULD HAVE THEM
DO TO YOU.'**

MATTHEW 7.12

Written By Mr Sharp-Nelaj (HT for the day!)

This morning me (the head teacher for the day Leonardo Sharp - Nelaj) and Mrs Morrall went on a learning walk to see how the children were getting on. The first place we went was outside to see the Eclipse, the children loved it and it was so enjoyable. Thank you Mr Knight for bringing in your telescope we are very grateful. Next we went to Foundation Stage, the first thing I wrote down was how they were sharing. I really liked the bookshelf that Mr Beacon made it really stands out, I think that they should paint the other side of the fence. Then they went to the ICT sweet and they helped each other log in together and they played lots of exiting games. After we went to Year 3 they were learning about the Eclipse they had good listening skills and the other Year 3 class were doing a test. After me and Mrs Morrall went to Year 2, they were watching an Eclipse video and it was interesting. They were drawing really good pictures and sharing their colours. After all that drawing that we seen we headed over to Year 1 they were doing Easter cards they look amazing. I thought that the classroom was so bright and colourful in Mr Burton's class, they even had their own story place where you can read a book. They had VCOP on the wall and even a construction play area. Finally we went to Year 4 I liked the art work they did that was on the wall and they had really big maths subtraction questions like $6587 - 2359 =$.

I think we need to improve on,

- ♦ Get a bigger lost property box!
- ♦ Get in a habit of tidying the cloakroom
- ♦ Tidy the welly rack

Today I have been signing a lot of forms the first form I did was to buy some wall bars for gymnastics that cost £4,000 from the Sports Premium, then I filled a form for a computer for the Library to scan the books and to paint the Library, that cost £2,000. After I spent £79.95 for some playground toys. When I signed all of the things I brought for the children I felt responsible for making the children happy and giving them something important to do with their learning.
