

## R.E.

In R.E. this term, we are looking at what different religions teach us about the natural world and why we should care about it. Children will be considering the importance of the world around us and will be looking at different trains of thought about how the world began.

## Science

In Science we will be learning about Sound, States of Matter and Electricity. We will be conducting lots of investigations to find out about these.

## Home Learning Tasks

- Make a junk model moving vehicle.
- Write a menu to represent British food.
- Make a musical instrument inspired from another country.
- Research an art style from around the world.
- Design a new flag for the UK.

## Year 4 Reminders

**PE:** PE lessons are on a Wednesday and a Thursday. Please ensure your child has appropriate footwear and a dark coloured tracksuit for outdoor lessons.

**Reading:** Please could you continue to listen to your child read regularly at home (at least 3 times per week).

In Literacy this term we will focus on stories from other cultures, chronological reports and reciting poetry by heart.

In maths we will be learning about fractions, decimals, shape and symmetry and will be interpreting data from graphs. We will continue to solve mathematical problems using the four number operations.

## What do Year 4 want to learn?

What are continents?

How do people live in different countries?

What foods do people eat?

How do people travel?

What do children wear in other countries?

How are mountains formed?

Do children in other countries have similar hobbies?

Is art the same all around the world?

Why are some countries hotter than others?

Here There and Everywhere
