## **Our mission, vision and values**

The Trust has a clear **mission** at its core, ensuring that all pupils are enabled to flourish, rooted in God's Love - academically, socially, spiritually, physically and mentally. This is central to our work and rooted in our Christian foundation (John 10 v 10). Our commitment to mutual flourishing within the school community is built upon our shared belief in Church of England principles. In our Trust, just as in the wider Church of England community, 'flourish' refers to prospering, thriving and growing. It means prayerfully encouraging all within our schools so that they might prove fruitful, successful and contented in the longer term. We seek to provide space generously for all to flourish in life and all of its structures. Equitable treatment for all pupils, staff and the wider community is a core part of enabling this long term, holistic flourishing.

We have a clear **vision** about creating successful schools for the benefit of their communities and we expect every school in the Trust to continuously improve. All schools provide rich and diverse curricula which evolve to meet the needs of their children and local communities, as well as delivering educational excellence to enable them to continue to flourish in later life.

The way we work and deliver against our mission is critical to our Trust. We have shared, agreed **values** of:

Hope; Nurture; Equality; Respect; Collaboration

The Trust's vision is underpinned by a Christian values framework which is adopted by all schools. It provides clear expectations for all Trust employees on how we wish our values to impact on all areas of school life. It draws on, and is informed by, the National Church of England Vision for Education and the Diocesan Board of Education Vision.

Each school within the Trust has a personalised vision for education, developed locally to reflect the individual character and needs of the school community. This vision is underpinned by the Trust's wider vision, and agreed with the Trust, but it is owned and driven by the headteacher and their LGB.

## **Our community**

The Trust are dedicated to delivering education that serves local communities. Our schools are inclusive, welcoming those from all and no faiths, from all abilities and backgrounds. We believe in providing a high-quality education, underpinned by Christian values, which enables every child to flourish.

Underpinning all of the Trust's work is a belief in educational excellence. The Trust serves all stakeholders by providing schools with the highest levels of academic rigour and pastoral care.

Our schools are places where children and young people develop and thrive intellectually, socially, culturally, and spiritually. All of the Trust's schools teach a broad and balanced curriculum within national guidelines focusing on core skills. This is designed to ensure that all pupils reach their academic potential and seek to enrich their experience along the way. Pupils will be enabled to

*Enabling all to flourish: Rooted in God's love*

succeed in an atmosphere of high expectation, aspiring to educational excellence with a firm foundation of values.

This policy forms part of our Trust governance and ensures that we are held to the highest standards as we carry out our duties.

### **Statement of Intent**

This is the Diocese of St Albans Multi-Academy Trust (DSAMAT) over-arching Early Career Teacher policy and must be implemented and adhered to in each of the academies within the Diocese of St Albans Multi Academy Trust along with those working within the central team.

This policy will also be implemented and adhered to from the first day of any other school joining the Trust.

For the remainder of this document, the Diocese of St Albans Multi Academy Trust will be referred to as DSAMAT and Early Career Teacher will be referred to as ECT.

## 1. AIMS

All schools will aim to:

- Run an ECT induction programme that meets all of the statutory requirements underpinned by the Early Career Framework (ECF) from 1 September 2021
- Provide ECT s with a supportive environment that develops them and equips them with the tools to be effective and successful teachers
- Make sure all staff understand their role in the ECT induction programme
- Contribute to the colleague’s sense of job satisfaction, wellbeing and personal achievement.

## 2. LEGISLATION AND STATUTORY GUIDANCE

This policy is based on:

- The Department for Education’s (DfE’s) statutory guidance [Induction for early career teachers \(England\)](#) from April 2024
- The [Early career framework](#) reforms
- The [Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)
- The ‘relevant standards’ referred to below are the [Teachers’ Standards](#).

## 3. THE ECT INDUCTION PROGRAMME

The induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF. Prior to the ECT serving their induction, the Headteacher and appropriate body will agree that the post is suitable.

For a full-time ECT , the induction period will typically last for 2 academic years (Subject to any extension or reductions required). Part-time ECT s will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.

The programme is quality assured by a chosen appropriate body.

## 4. Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience, and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period
- Have an appointed mentor, who will have qualified teacher status (QTS)
- Have an appointed induction coordinator, who will be a senior member of the teaching staff.
- Have a reduced timetable (in addition to PPA) to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing teachers on the main pay range, and in their second year, this will be no more than 95% of the timetable of our existing teachers on the main pay range.
- Regularly teach the same class or classes

*Enabling all to flourish: Rooted in God’s love*

- Take part in similar planning, teaching and assessment processes to other teachers working in similar posts
- Not be given additional non-teaching responsibilities without appropriate preparation and support
- Not normally teach outside the age range and/or subjects they have been employed to teach.

## **5. Supports for ECTs**

Schools support ECT s with:

- A designated induction tutor, who will provide monitoring and support, and co-ordinate their assessments
- A designated induction mentor, who will provide regular structured mentoring sessions and targeted feedback alongside the Early Career Framework.
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths
- Chances to observe experienced teachers, either within the school or at another school with effective practice.

## **6. Assessments of ECT performance**

Formal assessment meetings will take place in the final term of the ECT s first year (FTE term 3) and the final term of their second year (term 6) and will be carried out by the ECT s induction tutor or in his/her absence a member of the Senior Leadership Team.

These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period, and drawn from the ECT s work as a teacher and from their induction programme.

After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The Headteacher will also recommend to the appropriate body in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.

The ECT will add their own comments, and the formal assessment report will be signed by the Headteacher, induction tutor and the ECT .

A copy of the formal assessment report will then be sent to the appropriate body. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.

*Enabling all to flourish: Rooted in God's love*

In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or Headteacher will complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

## **7. At risk procedures**

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place immediately by the school, meaning:

- Areas in which improvement is needed are identified
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards
- An effective support programme is put in place to help the ECT improve their performance
- The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, to be reviewed.

If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or Headteacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

## **ROLES AND RESPONSIBILITIES**
